

# HOW TO PLAY THREE CARD POKER

Hands are ranked in the following order from highest to lowest:

Straight Flush

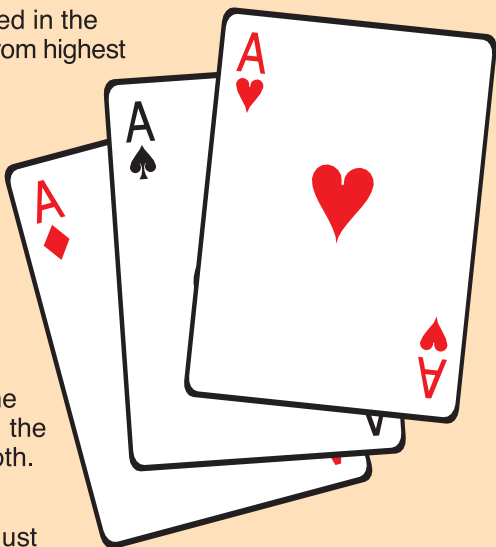

Three of a Kind

Straight

Flush

Pair

Highest Card

You may play the PAIR PLUS bet, the ANTE bet, or both.

Dealers hand must have a queen high or better to qualify.

A bet on the PAIR PLUS bet is a bet that your hand will contain a pair or better. You do not have to beat the dealer, and the dealer does not have to qualify, to win on this bet. If you do not have a pair or better, the PAIR PLUS bet loses. If your hand contains a pair or better, the PAIR PLUS bet is paid according to the following table:

|                        |                |
|------------------------|----------------|
| <b>Straight Flush</b>  | <b>40 to 1</b> |
| <b>Three of a Kind</b> | <b>25 to 1</b> |
| <b>Straight</b>        | <b>6 to 1</b>  |
| <b>Flush</b>           | <b>4 to 1</b>  |
| <b>Pair</b>            | <b>1 to 1</b>  |

A bet on the ANTE bet plays against the dealer. After looking at your hand if you decide not to play the hand, the cards are thrown in and the ANTE bet loses. If you decide to play the hand, a bet equal to the ANTE bet must be placed in the PLAY spot. When all players have decided on their hands, the dealer will reveal their cards. When the dealer does not qualify, only the ANTE bet will be paid and the PLAY bet will be a push. When the dealer has a qualifying hand you must beat the dealer to win, and both the ANTE and PLAY bets will be paid even money. When playing the ANTE bet, certain player hands may also qualify for an ANTE bonus as follows.

|                        |               |
|------------------------|---------------|
| <b>Straight Flush</b>  | <b>4 to 1</b> |
| <b>Three of a Kind</b> | <b>3 to 1</b> |
| <b>Straight</b>        | <b>1 to 1</b> |

Side Bets Prohibited
